

CURRICULUM VITAE

PERSONAL PROFILE

NAME DR. HALIMA SADIA
FATHER NAME PROF. MATIULLAH
DOMICILE Peshawar
MARITAL STATUS Married
RELIGION Islam
PMDC REGISTRATION NO: 11 783-N
FACULTY REGISTRATION: 10174/11783-9/M
ADDRESS: Village and P/O Gul Abad Tehsil and District Charsadda
MOBILE NO: 03139977108
E-MAIL ADDRESS: drhalimasadia80@gmail.com

ACADEMICS

Qualification	Institution	Year
CHPE	National university of medical science	2020
M.Phil	Khyber medical university	2015
MBBS	University of Peshawar	2004

SERVICE HISTORY

Chairperson pharmacology department	BKMC	22 January till date
Assistant professor in pharmacology	BKMC	20 march 2017 till date
Demonstrator in pharmacology	BKMC	Feb 2012—March 2017
Medical officer	MMC MARDAN	July 2010 –Feb 2012
Medical officer	DHQ MARDAN	October 2007 – July 2010

SKILLS

- Module Coordinator for 3rd year MBBS (Respiratory Module)
- Module Coordinator for 4th year MBBS (Neurosciences Module)

- Undergraduate Academic Research Supervision BKMC, Mardan
- Member of DPC.

PUBLICATIONS

S#	publication journal	Research paper topic	Publication years	Authorship position
1	PJCM 2019 25(4) pp181-185	Evaluating the diagnostic accuracy of gene Xpert MTB/RIFin pulmonary Tuberculosis in Kohat division	2019	6 th
2	PJCM 2019 25(4) pp-151-155	Risk factor for multidrug resistance tuberculosis among patients with pulmonary tuberculosis at tertiary care hospital.	2019	4 th
3	Med. Forum, Vol. 31, No 1 pp 6-10	Association of lifestyle Determinant with Coronary Artery Disease.	2020	4 th
4	PJMHS vol.15, No 12, Dec 2021	Evaluation of pharmacological Aspirin resistance and their association with Gender and age in patients with cardiovascular Disease.	2021	1 st
5	PJMHS Vol. 16, No. Jan 2022	Effect of iron Chelator on liver Function in Beta Thalassemia Major Patients.	2022	1 st
6	PJMHS Vol. 16, No. Jan 2022	Effect of iron Chelator on Renal Function in Beta Thalassemia Major Patients Who undergo regular Transfusion.	2022	1 st
7	Med. Forum, Vol. 33, No 3 pp 141-144	Crating High Cognitive Level MCQS Will Drive Students to Clinical Reasoning? A Case Study.	2022	2 nd
8	J MED Sci 2023 October 31(4) pp 309-314	Comparison of Susceptibility Between conventional 1 st line Antibiotic Co-trimoxazole and new antibiotics in recurrent uncomplicated urinary tract infection	2023	2 nd
9	Green Processing and synthesis 2023; 12:20230103	Exploration of Ketone derivatives of Succinimide for their antidiabetic potential: in vitro and in vivo approaches	2023	3 rd
10	ChemistrySelect 2024, 9, e202303100 (1 of 14)	Design, Synthesis, Molecular docking, and Anti-inflammatory potential of Amide Coupling Carboxylate derivatives.	2024	5 th
11	Afr.J.Bio.Sc.6(16)(2024)	Protective effect of Nefroguard on Renal Function and Hematological Parameter in Gentamicin-induced Nephrotoxicity.	2025	Corresponding Author
12	Afr.J.Bio.Sc.6(10)(2024)	Pharmacological modulation of renal anatomy; investigating the effects of ACE inhibitors on nephron structure and function	2024	1st
13	Vol. 31 No. 11(2024)JPTCP(2380-	Structure bioinformatics of haemophilus influenz amacrodomein ter protein	2024	1st

	2385)	(MATP) application in biochemistry haematology and drug development
